Time Capsule Book Report

For this project, you are to make a time capsule. A coffee can, Pringles can, or any other container with a lid may be used.

The lid should be labeled with the title and author of the book. The outside of the can will show an illustration from a favorite scene in the book.

Ten different objects that pertain to the book should be inside the can. (For example, if you are reading *Harry Potter and the Goblet of Fire*, one of the items may be a small dragon or a dragon’s egg to represent his challenge in the tournament.)

For each item, the student must be able to tell how the item relates to the book and a written description must be noted on a 3 X 5 card.
